UNSW  
AUSTRALIA

Canberra

## Gold Sponsors

## Supporters

**Ms Geraldine Barker,  
NAO, UK**

**Australian Government**  
Department of Defence

**Australian Government**  
Department of Human Services

**Australian Government**  
Australian Taxation Office

**Ms Lisa Wolf,  
BAH, USA**

## Aim

**To improve project delivery outcomes across  
public and private sectors**

## Method

**An annual forum for sharing and disseminating project  
governance, controls and management best practices to  
facilitate adoption by projects and programs**

## PGCS Value Proposition

**How much learning is needed to break even on attending?**

**Implementing a single good idea from PGCS**

**Should also justify attending next year!**

## Closing Thoughts

- ▶ Our work is important
  - Australia is embarking on our next round of national capability and infrastructure development projects
  - The success of these projects largely depends on the leadership and technical skills of:
    - Project and Program Managers [and Directors]
    - Supporting project governance and controls specialists

Project Governance and  
Controls Symposium
