### Symbol in program

- (CI)
- (Ag)
- (Fu)
- (Go)
- (Te)
- (Be)
- (PT)
- (EV)

The PGCS 2023 Symposium App is the best way to get up to date event information including the full conference program, general information, all in the palm of your hand.

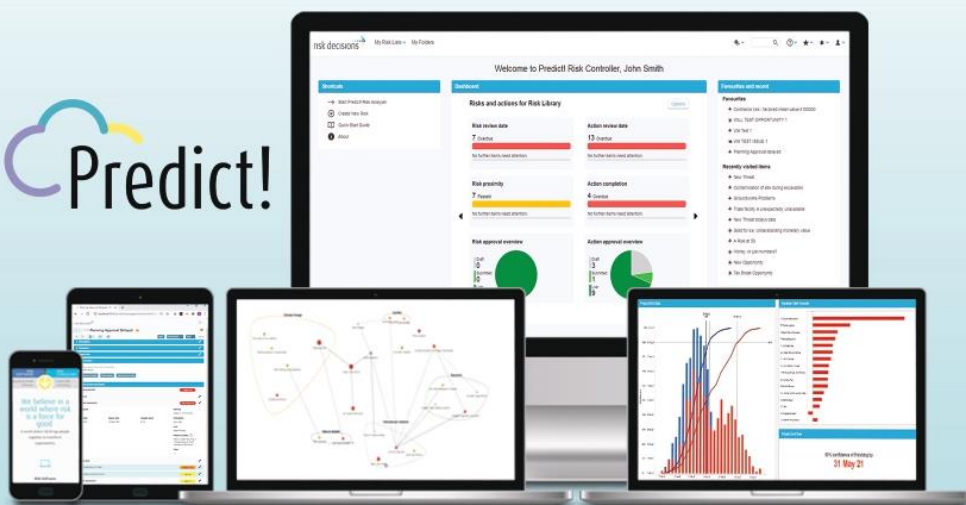

The App will be used for **Q&A** during all sessions and will allow you to complete a short survey after each session.

### How to download the PGCS 2023 Symposium App:

- Click on the **App Store** or **Play Store** icon on your device.
- In the search bar type **The Event App by EventsAIR**. Once it appears, install the app.
- Once the install process is complete, you will be able to see **The Event App by EventsAIR** icon on your home screen, click on it to open.
- Once in the app, you will need to enter the event code **pgcs2023** to access the conference app.
