THE PETER STANLEY EXCELLENCE IN COST ESTIMATION AWARD APPLICATION FORM

This award recognises the leadership, dedication and expertise of cost estimation professionals in Australia. The judges are seeking individuals who have contributed to the improvement of estimation practices and professionalisation of cost estimation as a career.

Eligibility:

Applications are open to individuals engaged in cost estimation in the private or public sector across Australia. Nominations may be made on behalf of others.
Members of the judging panel are unable to be nominated.

Submission:
An electronic copy of this application form must be submitted to PGCS at **pgcs@consec.com.au** by close of business 28 June 2024.

Leadership in Cost Estimation and Transfer of Knowledge (40%)

Describe the contribution you/they have made as a leader of cost estimation in Australasia. Give examples of how you/they have added to the knowledge base and better practice of cost estimation.
Up to 400 words.

Click or tap here to enter text.

Promotion of Cost Estimation as a Career (30%)

Describe how you/they have led and promoted the professionalisation of cost estimation as a career. Include details of mentoring or training you/they have provided to others.
Up to 300 words.

Click or tap here to enter text.

Excellence in Cost Estimation Practices (30%)

Provide an overview of estimates you/they have contributed to that exemplify better practice. Outline the ways in which your/their cost narratives have empowered decision makers.
Up to 300 words.

Click or tap here to enter text.

The committee elected by ICEAA Canberra will not discuss submissions for this award with applicants. Selection will be based on the written submissions provided to and evaluated by a team of professional industry judges. Decisions of the judging panel are final.

The award will be presented at the 2023 PGSC Symposium. Admission to the symposium is included with the award; travel and accommodation are at the recipients own expense.

Applications are due by 28 June 2024. Late submissions will not be considered.
