Annual Symposium

Unique Focus on Federal Government

Aim

To improve project delivery outcomes across public and private sectors

How Achieved

An annual forum for sharing and disseminating project governance, controls and management best practices to facilitate adoption by projects and programs.

PGCS 2015 Theme

Delivering what the project sponsor needs

PGCS
Project Governance and Controls Symposium

The Value Proposition

- ✓ What are the delegate fees at as a percentage of your project's budget ???
- ✓ Two days is how much of your project's schedule ???

So, how much learning do you need to break even on attending ?

A single "implementable" good idea will put you way ahead !!!
